

SCOTT LAWRENCE

CURRICULUM VITAE

EDUCATION

Master of Architecture 2009
University of Colorado, Denver
Graduated With Honors

Bachelor of Environmental Design 2006
University of Colorado, Boulder
Architecture Emphasis
Graduated With Honors

TEACHING EXPERIENCE

Lecturer, Architecture 2009 - Present
College of Architecture and Planning - University of Colorado, Denver

Graduate Courses:

Architecture Studio 2	Design-Build Studio
Architecture Studio 3	Architectural Presentation Design
Architecture Studio 4	Sketching as Seeing
Architecture Studio 5	Building Information Modeling - Revit I
Comprehensive Design Studio 6	Building Information Modeling - Revit II

Undergraduate Courses:

Architecture Studio 1	Introduction to Digital Media
Architecture Studio 3	Building Information Modeling - Revit I

PROFESSIONAL EXPERIENCE

Founding Partner 2015 - Present
Nguyen Lawrence Architecture

Lead Designer and primary client contact for Nguyen Lawrence, primarily working on restaurant, retail and residential projects. Nguyen Lawrence a Colorado-based design firm founded on the core principle that buildings can enrich their environment and improve peoples lives when they are in harmony with their physical, natural, and cultural contexts.

Co-Founder/ President 2011 - Present
Immersion Workshop

Immersion Workshop is a Colorado-based not-for-profit organization. Immersion develops and coordinates in-residence design workshops focused on context-specific design. The workshops attract an international group of participants, ranging from experienced practitioners and academics, to advanced students and allied professionals.

Immersion has held workshops in Vermont (2014-2017), Telluride (2013), Nova Scotia (2012), and at The Sea Ranch (2011). Guest Tutors and Critics include Rick Joy, Juhani Pallasmaa, Kai Piippo, Richard Lepastrier, Peter Stutchbury, Marlon Blackwell, Tom Kundig, Rick Sommerfeld, Claudia Kappl, Stephanie Houston, Michael Boucher, Julie Snow, and Brian MacKay-Lyons.

Responsible for the organizational vision, as well as the development and direction of workshops. I coordinate course schedules, materials, and learning objectives with guest tutors, critics and hosts.

Architectural Designer 2008 - 2009
Bennett Wagner and Grody Architects

Member of health care design team. Projects included medical office buildings, acute care facilities, radiology departments, call service centers, psychology wards. Served as job captain on several of these projects. Part of Building Information Modeling software implementation and training team.

Architectural Designer 2007 - 2008
Studio Completiva, Inc.

Design, documentation, and construction administration for multi-family residential and assisted living projects. Led BIM conversion and training for the firm.

Architectural Intern 2006 - 2007
Todd Architects

Completion of field verifications and building information models for over 100 projects, including Vail Sports, The North Face, Burton, Aspen Sports, Patagonia, and Heavenly Sports.
