

CURRICULUM VITAE
University of Idaho

NAME: Robert F. Keefe

DATE: January 16, 2019

RANK OR TITLE: Associate Professor of Forest Operations
Director and Forest Manager, University of Idaho Experimental Forest

DEPARTMENT: Forest, Rangeland, and Fire Sciences

OFFICE LOCATION AND ZIP: Phinney B-17, 83844-1133

OFFICE PHONE: 208-310-0269

FAX: 208-885-5534

EMAIL: robk@uidaho.edu

WEB: <http://www.uidahoforestoperations.com>
<http://www.uidaho.edu/cnr/uief>

DATE OF FIRST EMPLOYMENT AT UI: MS Research Assistant, 2002

DATE OF TENURE: Letter of promotion (Associate Professor with Tenure) received March 2018.

DATE OF PRESENT RANK OR TITLE: August 2012

EDUCATION BEYOND HIGH SCHOOL:

Degrees:

PhD, University of Idaho, Moscow, ID, 2012, Natural Resources

MS, University of Idaho, Moscow, ID 2004, Forest Biometrics

BSF, Forestry, University of New Hampshire, Durham, NH, 1999

Certificates and Licenses (current):

USFS Certified Tree Climber

NWCG Type 5 Incident Commander (ICT5) / Type 4 Incident Commander Trainee / Type I Firefighter (FFT1)

EXPERIENCE:

Teaching, Extension and Research Appointments:

Assistant Professor of Forest Operations, University of Idaho, Moscow, ID, 2012-Present

Instructor, Forest Operations, University of Idaho, Moscow, ID, 2011

Teaching Assistant, Forest Operations, University of Idaho, Moscow, ID, 2010-2011

Research Technician, University of Kentucky Dept. of Forestry, Lexington, KY, 2007

Forest Biometrics Research Associate, Cooperative Forestry Research Unit, University of Maine, Orono, ME, 2004-2005

Research Assistant, Forest Biometrics Research Lab, University of Idaho, Moscow, ID, 2002-2004

Teaching Assistant, Forest Biometrics Research Lab, University of Idaho, Moscow, ID, 2002, 2003

Academic Administrative Appointments:

Director and Forest Manager, University of Idaho Experimental Forest, October, 2012 - present

Related Non-Academic Employment including Armed Forces:

Principal, Rob Keefe Forest Services, Durham, NH. 2006-2007

Principal, OTL Forestry Services, Durham, NH. 1999-2000

Forester, All Seasons Forestry, Plymouth, NH. 2006

Consulting:

Prior employment (consulting forestry)

Steep Corner Fire Investigation (2012)

TEACHING ACCOMPLISHMENTS:

Areas of Specialization:

Forest operations, logistics, safety research, emergency communications, forest and wildland fire management

Courses Taught: (title, course number, date(s))

DS: Current Topics, Forest Management (1 cr)	FOR 502	2013
Cable Systems (2 cr)	FOR 436	2017, 2015, 2013
Forest Engineering and Harvesting (now Forest Operations, 3 cr)	FOR 430	2018,2017,2016, 2015,2014, 2013,2012, 2011, 2010
Low Volume Forest Roads (2, 3 cr)	FORP 432 / FOR 404 / 431	2018, 2017,2016,2014, 2013, 2011
Spatial Harvest Planning (2 cr)	FOR 404	2012
Intro. to Forest Management (1 cr)	FOR 102	2012
Forest Tractor and Cable Systems (4 cr)	FORP 434	2010
Quantitative Resource Analysis (3 cr)	FOR 394	2003

Teaching Assistant:

Forest Regeneration (2 cr)	FOR 324	2008
Quantitative Resource Analysis (3 cr)	FOR 394	2002

Forest Measurements (3 cr)	FOR 274	2003, 2001
Forest Inventory and Analysis (3 cr)	FOR 474	2003, 2001
Wood Science and Technology – University of New Hampshire	FORS 426	1999
Field Identification of North American Trees and Shrubs – University of New Hampshire	FORS 425	1998

Students Advised:

Undergraduate Students:

1. Advised 19 undergraduate advisees through completion of B.S. forestry degrees during the period 2012-2017.
2. 5 current undergraduate advisees as of spring, 2017.

Graduate Students Completed:

1. Jarred Saralecos (MS) – Graduated May 2014. Jarred is currently a PhD student in the Forest Biometrics Lab at the University of Montana working with David Affleck.
2. Ryan Jacobson (MS) – Graduated December 2015. Ryan is currently a PhD student in the Biomass and Bioenergy Research Group at the University of British Columbia working with Shahab Sokhansanj.
3. Conor Bell (MS) – Graduated August 2017. Conor is currently Principal, Bell Environmental Consulting, Denver, CO.
4. Ryer Becker (MS) – Graduated December 2017. Ryer is continuing on in the PhD program.
5. Ann Wempe (MS) – Graduated August 2018. Ann has continued working with us as a Research Scientist.

Current Graduate Students:

1. Eloise Zimbelman (PhD)
2. Ryer Becker (PhD)
3. Xuexian Qin (PhD)

Graduate Committees (Completed and Current)

1. Catherine Wiechmann (MS)
2. Chris Chase (MS)
3. Zach Lyon (MS)
4. Jim Casey (MS)
5. Audra Cochran (MS)

6. Jeff Stenzel (MS)
7. Anjeleeca Tomayko (MS)
8. Heather Page (PhD)
9. Callie Collins (MS)

Materials Developed: (non-scholarship activity)

Courses Developed:

1. NR 200 Emergency Management (In preparation)
2. FOR 430 Forest Operations (3 cr)
3. FOR 102 Intro. to Forest Management (1 cr)
4. FORP 430 Forest Engineering and Harvesting (3 cr)
5. FORP 432 / FOR 404 / FOR 431 Low Volume Forest Roads (3, 2 cr)
6. FOR 436 Cable Systems (2 cr)
7. FORP 434 Forest Tractor and Cable Systems (4 cr)
8. FOR 394 Quantitative Resource Analysis (3 cr)
9. FOR 210 Winter Harvesting (1 cr)

Non-credit Classes, Workshops, Seminars, Invited Lectures, etc.:

1. FOR 102 Forest Management 1 and 2 (2013, 2014, 2015, 2016, 2017, 2018)
2. FOR 102 UIEF Field Tour (2012, 2013, 2014, 2015, 2017)
3. FOR 424 Final Presentation evaluations (2011, 2012, 2013, 2014)
4. 3P sampling (invited lecture), FOR 474 (2009)
5. Forest operations (invited lecture), FOR 374 (2009)
6. Using R for statistical analysis. Dept. of Mathematics and Statistics Seminar Series (2004)

Honors and Awards:

1. Faculty Excellence Award, College of Natural Resources Advisory Board, 2018
2. Outstanding Advisor Award, College of Natural Resources, 2018
3. Nominee, University Award for Excellence in Advising, 2018
4. Honorary Degree, Dept. of Agric. Ed. and Idaho FFA, University of Idaho, 2017

5. Nominee, University Award for Teaching Excellence, 2013
6. Outstanding PhD Graduate Student, Forest, Rangeland and Fire Sciences, University of Idaho (2012)
7. Certificate of Appreciation, University of Idaho President Duane Nellis: Invention Disclosure: Recreational rail cycle, motorized recreational off-road vehicle, and wheel chair for portable rail system

SCHOLARSHIP ACCOMPLISHMENTS: (Including scholarship of teaching and learning, artistic creativity, discovery, and application/integration)

Publications, Exhibitions, Performances, Recitals:

Refereed/Adjudicated Journal Articles (published, in press, and accepted):

8. Keefe, R.F (2012). Characterizing regional and seasonal log weight to volume relationships in Idaho. Idaho Dept. of Lands Forest Management Bureau. \$30,000.
9. Keefe, R.F (2012). Characterizing regional and seasonal log weight to volume relationships in Idaho. Associated Logging Contractors. \$500.
10. Davis, A.S. and R.F. Keefe (2009). Effects of wood supply scenarios on the conifer regeneration environment. Remsoft Inc. \$30,000 In-kind.
11. Keefe R.F. and Davis A.S. (2009) Measurement, sampling and statistical modeling methods to quantify conifer seed quality in forest nurseries using digital X-ray radiography. Faxitron Corporation. \$70,000 In-kind.
12. Davis A.S., Dumroese R.K., Karrfalt R.F., Keefe R.F., and Z.E. Lowe (2008). Characterization of seed germination requirements of Wyoming big sagebrush (*Artemisia tridentata*) for improved direct-seeding success in a changing climate. Great Basin Native Plant Selection and Increase Project \$60,000.
13. Keefe R.F. (2007). Does the triphasic water uptake hypothesis explain water relations in the seeds of *Pinus ponderosa* and *Pseudotsuga menziesii*? University of Idaho Student Research Grant program. \$1,500.
14. Davis A.S. and Keefe R.F. (2008). Hydrothermal time analysis of conifer seed germination. Pacific Regeneration Technologies. \$2,000.
15. Keefe R.F. (2008). Model-based optimization of seed germination timing. Honorable Mention. Decagon Devices G.A. Harris Fellowship. Equipment, sample processing gifts in kind.

Grants and Contracts Attempted (past unsuccessful and current submitted, pending):

1. Keefe, R.F. and X. Qin (2017-Unsuccessful). Developing a slip, trip, and fall hazard index rating system and smart phone app for forestry workers in mountain pine beetle-infested lodgepole pine stands. Pacific Northwest Ag Safety Center (UW). \$30,000.
2. Keefe, R.F., Nelson, A.S. and A.M.S. Smith. (2017-Unsuccessful). Integrating real-time positioning and LiDAR remote sensing into precision forestry throughout the life cycle of stand management. USDA AFRI. \$499,885.
3. Keefe, R.F., Jenkins, S. and G. Hess (2017-Unsuccessful). Evaluating the effectiveness of Idaho's Class I stream shade rule for conserving riparian habitat and water quality in the Great Northern LCC region. Great Northern Landscape Conservation Collaborative. \$80,000. (Unsuccessful).
4. Keefe, R.F., Newman, S.G., Paveglio, T.B., Kobziar, L.N. and R.H. Brooks (2016). Field evaluation of real-time GPS positioning and mobile ad-hoc network (MANET) radio systems for wildland fire. Dept. of Homeland Security / FEMA: \$1,500,000. (Unsuccessful).
5. Saul, D., Newman, S., Keefe, R., Davadoss, S., Gopaluni, B., Jacobson, R., Hulme, K. and S. Cook (2016). Technology and policy impacts on the long-term bioenergy development in communities and forests in the US Northwest. USDA AFRI, \$500,000. (Unsuccessful).
6. Keefe, R.F., Brooks, R.H., Newman, S.M., Brown, K., and L.S. Kobziar (2016). Real-time position, navigation,

and timing for wildland firefighting: testing systems and expanding our capabilities. Vandal Ideas Project internal University of Idaho RFA. (Unsuccessful).

7. Coleman, M., Saul, D., McDonald, A., Keefe, R., Brooks, R., Talhelm, A., Laninga, T., Devadoss, S., Newman, S., Puettmann, M., Coates, E., and R. Eddings (2015). Increasing small-scale woody bioenergy adoption in Idaho's Clearwater Basin. Dept. of Energy. \$7,000,000. (Unsuccessful).
8. Keefe, R.F., Smith, A.M., Eitel, J.U.H., Brooks, R.H., and S. Newman (June 2014- first submission). Reducing logging fatality and non-fatal trauma incidence rates with new real-time GPS-VHF communications, recommended safety procedures, and education. National Institute of Health (NIH) National Institute of Occupational Safety and Health (NIOSH). \$820,762 (Unsuccessful).
9. Keefe, R., Coleman, M., Hudak, A., Strand, E., and Smith, A. (2012). U.S. National Needs for forest scientists trained in the management of integrated sawlog and woody biomass production systems. National Institute of Food and Agriculture. \$220,500 (Unsuccessful).
10. Coleman, M.D., and 20+ additional collaborators (2011). Mobile fast pyrolysis of forest biomass and agricultural residues for biofuel production. NIFA Biomass Research and Development Initiative Competitive Grants Program. \$7,000,000 (Unsuccessful).
11. Page-Dumroese D.S., Coleman M.D., and R.F. Keefe. (2011). Residue management, biochar production, and biochar application to maintain forest health and soil productivity. 2010 USDA Woody Biomass Utilization Grant. \$200,000 (Unsuccessful).
12. Keefe R.F. (2011). Design and cost evaluation of track sections for a low-impact, high production multi-use forest transportation system. University of Idaho Forest Products Entrepreneurship Grant.
13. Keefe R.F. and S.R. Shifley (2011). Characterizing the minimum sustainable harvest for four silvicultural systems in the Pacific Northwest. \$130,000. (Unsuccessful).
14. Keefe R.F. and A.S. Davis (2010). Modeling the germination timing of conifer seeds. NSF Doctoral Dissertation Improvement Grant. \$15,000. (Unsuccessful).

Honors and Awards:

1. Honorary degree (2017). Idaho FFA Association and University of Idaho Dept. of Agricultural and Extension Education.
2. Nominee (2013). Award for Teaching Excellence, University of Idaho.

SERVICE:

Director and Forest Manager, University of Idaho Experimental Forest. 2012-Present.

Please note that I have listed many outreach, service, collaborative teaching and other activities associated with the Experimental Forest under the corresponding sections above.

Duties:

1. Development or oversight of all grants and contracts related to timber management, wildland and prescribed fire, reforestation, thinning, inventory, grazing, and recreation on the 10,300 acres of Idaho timberland. Annual budget planning and research coordination. Participation and forest certification through National and Idaho Tree Farm Programs. Preparation and annual revision of UIEF Forest Management Plan.
2. Supervision of Assistant Manager, 10-12 seasonal staff, student-run and contract operations, seasonal wildland fire crew and regular prescribed fire activities on 9 management areas covering 10,300 acres of productive Idaho

timberland.

3. Coordination of research and teaching activities with College of Natural Resources faculty, staff, graduate and undergraduate students.
4. Coordination of 8-10 regular field activities, including annual Future Farmers of America statewide Forestry Career Development Event, Project Learning Tree Walk in the Woods, Idaho Forest Products Commission Architects Field Tour, extension field workshops, etc.
5. Represent the UIEF on behalf of CNR on various committees and cooperatives.

Major Committee Assignments: (National, State, District, County, University, College, Departmental and dates)

1. CNR representative, University of Idaho Safety and Loss Control Committee (USLCC). 2015 – present.
2. College of Natural Resources Representative, Idaho Tree Farm Committee. 2013 - present.
3. Member, Idaho Forest Owners Association Forest Landowners and Managers Conference Steering Committee. 2013 – present.
4. Faculty Search Committee, Assistant / Associate Professor of Silviculture. 2014. (Dr. Andrew Nelson).
5. CNR Representative to the Idaho Dept. of Lands and Dept. of Environmental Quality Streamside Management Zone Implementation and Monitoring Committee. January, 2014.
6. Member, University of Idaho Extension Forestry Topic Team. 2014.
7. Member, Associated Logging Contractors Idaho Pro-Logger Certification Steering Committee. November, 2013 – present.
8. Forest Resources Representative to the CNR Curriculum Committee. September, 2013 – 2014.
9. Chair, CNR Curriculum Committee. November, 2013 – August, 2014.
10. CNR Associate Dean Search Committee, University of Idaho College of Natural Resources. 2012. (Dr. Tom Gorman).
11. Faculty Search Committee, Assistant Professor in Ecosystem Services Economics, College of Natural Resources, University of Idaho. (Dr. Kelly Wendland).
12. Faculty Search Committee (2008): Assistant Professor in Wildland Fire Science, College of Natural Resources, University of Idaho. (Dr. Phil Higuera).
13. Maine CFRU Research Communications Coordinator search committee, 2005.

Professional and Scholarly Organizations (including memberships, committee assignments, editorial services, offices held and dates)

1. Advisory Board, Intermountain Logging Conference. Attended summer advisory board planning retreats, multiple planning meetings. 2015-Present.
2. Steering Committee, National Council on Forest Engineering Annual Meeting, Missoula, MT. 2013.
3. Selected peer review responsibilities: Forests (2017); Transactions of the ASABE (2017); International

Journal of Forest Engineering (2017); Canadian Journal of Forest Research (2016, 2015, 2013, 2011, 2006); Forest Science (2017, 2016, 2013), Global Change Biology (2017); Silva Fennica (2014); Computers and Electronics in Agriculture (2017); Western Journal of Applied Forestry (2012; 2009; 2007), Sensors (2015); Native Plants Journal (2010).

4. Associate Editor, Forest Science, Special Issue on the Fourth Vegetation Simulator Conference, Ft. Collins, CO, 2012.
5. Chair, Twenty-sixth Inland Empire Forest Engineering Conference: Trends in Forest Operations in the Inland Empire (Session 1), and Sustainable Biomass Utilization (Session 2). Moscow, ID, March, 2011.
6. Chair, Palouse-Snake River SAF, 2012.
7. Chair-elect and Program Chair, Palouse-Snake River SAF, 2011.
8. Invited University of Idaho representative, Summit on Forest Operations and Forest Engineering Education in the West. Corvallis, OR, August 8-9, 2011.
9. Organizer and Supervisor, Idaho Future Farmers of America Statewide Forestry Career Development Event 2010-2017.
10. Instructor, National Advanced Silviculture Program Reforestation Short Course: *Conifer seed quality assessment*. Moscow, Idaho. 2010.
11. Reviewer (4 proposals); University of Idaho Student Research Grant Program. 2010.
12. Professional member, Society of American Foresters. 2004-present.
13. Professional member, Council on Forest Engineering. 2008-present.
14. Student member, International Society of Seed Science. 2008-2010.
15. Member, New Hampshire Timberland Owner's Association. 2005-present.

Outreach Service: (Including popular press, interview articles, newspaper articles, workshops-seminars-tours organized, Extension impact statements)

1. Host / organizer, Idaho Future Farmers of America Statewide Forestry Career Development Event for over 120 Idaho high school students. June 2017.
2. Host / organizer, Project Learning Tree Walk in the Woods, University of Idaho Experimental Forest (June 2016).
3. Host / organizer, Idaho Future Farmers of America Statewide Forestry Career Development Event for over 120 Idaho high school students. June 2016.
4. Host / organizer, Idaho Lands Resource Coordinating Council Field Tour, University of Idaho Experimental Forest. June 2015.
5. Host / organizer, Idaho Future Farmers of America Statewide Forestry Career Development Event for over 120 Idaho high school students. June 2015.
6. Host / organizer, Project Learning Tree Walk in the Woods, University of Idaho Experimental Forest (June 2015).
7. Presenter / organizer: Idaho Forest Products Commission University of Idaho Experimental Forest field tour for Architecture graduate students. (September 2015)

8. Lead organizer, Working Forests Field Day at the UI Experimental Forest. Organized 15+ workshops for the general public and students. September 2015.
9. Presenter / organizer: Idaho Forest Products Commission University of Idaho Experimental Forest field tour for Architecture graduate students. September 2014.
10. What's new at the U? and Meet the Natives. Idaho Forest Products Commission Miracle at Work Field Tour, Matthew M. McGovern Jr. Memorial Tree Farm, Coeur d'Alene, ID. September 2014.
11. Forest Operations education and research at the University of Idaho. Associated Logging Contractors Fall Meeting and Annual Pigfeed. 2014.
12. Presenter / organizer: Idaho Forest Products Commission University of Idaho Experimental Forest field tour for Architecture graduate students. 2013.
13. Update on Forest Operations education and research at the University of Idaho. Associated Logging Contractors Fall Meeting and Annual Pigfeed. 2013.
14. IDL Forest Stewardship Field Tour, presenter, UI Experimental Forest / Roger Guernsey Outdoor Classroom. July 20, 2013.
15. Washington-Idaho Forest Owners Field Day at the University of Idaho Experimental Forest. Lead organizer with Kirk David. Over 140 participants, 25 presentations and current research tour. 2013.
16. Update on Forest Operations education and research at the University of Idaho. Associated Logging Contractors Fall Meeting and Annual Pigfeed. 2012.
17. Idaho Forest Owners Association January Meeting. 2013.
18. Palouse-Snake River Professional Society of American Foresters – Attended, participated in development of all professional meetings, workshops, and field tours. 2010-2012.
19. Inland Empire Society of American Foresters Annual Meeting. 2010-2011, 2013.
20. Inland Empire Tree Improvement Cooperative Annual Meeting. 2011, 2014.
21. National Society of American Foresters. 2010-2014; 2016-2017.
22. Intermountain Container Growers Association Annual Meeting. 2008-2010.
23. Western Mensurationists Annual Meeting. 2009; 2011.
24. National Council on Forest Engineering. Various (2008-2017).
25. Implementing uneven-aged management in New England- UNH Coop. Extension. 2007.
26. Logging for foresters. University of New Hampshire Cooperative Extension. 2007.

PROFESSIONAL DEVELOPMENT:**Teaching and Scholarship:**

1. Society of American Foresters National Convention (2017, 2016, 2014, 2013, 2012).

2. National Council on Forest Engineering Annual Meeting (2017, 2015, 2013, 2011).
3. Western Regional Council on Forest Engineering Annual Meeting (2014).
4. Oregon Logging Conference (2017, 2016, 2015, 2014, 2013, 2012, 2011).
5. Intermountain Logging Conference (2017, 2016, 2015, 2014, 2013, 2012).
6. UBC TREENOMIX tree improvement workshop (2007)
7. University of Idaho Radiation Safety Training (2009)
8. Maintenance and use of digital X-ray equipment. Faxitron Corporation (2009)

Administration/Management:

1. *Influence*. Online course available from The Wharton School, University of Pennsylvania, via Coursera. Completed March 2018.
2. *Improving Communication Skills*. Online course available from The Wharton School, University of Pennsylvania, via Coursera. Completed January 2018.
3. Annual fireline refresher (RT-130) and arduous pack test. 2014-2017.
4. Idaho Dept. of Lands / USFS Guard School (NWCG) Type 5 Incident Commander / Type 1 Firefighter (FFT1/ICT5): S131/S133/S-211, Camp Lutherhaven; Coeur d'Alene, ID. June 2-9, 2016.
5. National Wildland Fire Coordinating Group (NWCG) Type II Firefighter: S130/S190/I-100/L180, Arduous Pack Test, Salida, CO (2014).
6. Recent wildland fire incident response: Big Lost Fire (2015); Strychnine Fire (2017)
7. Experience (NWCG qualifications): IC/Burn Boss for approximately 20 prescribed burns of varying size and complexity, 2012-2017
8. CPR / First Aid (2015, 2017).
9. USFS Certified Tree Climber (2008)
10. USDA FS / Idaho Dept. of Lands Insects and Disease Workshop, Coeur d'Alene, ID. 2014.
