

GRADUATE TEACHING ASSISTANTSHIPS

Graduate teaching assistantships are academic and professional awards that provide students with professional opportunities that closely relate to their chosen academic field of study. Students awarded a graduate assistantship will receive a stipend, in-state tuition, and an out of state tuition waiver. The stipend rate for 2020-21 is \$14,000 (academic year). Current in-state and out of state tuition rates are provided by Student Accounts and Cashier's Office.

Note. Assistantship applications received prior to February 1 (Fall Semester start) will be given priority.

For a complete graduate assistantship application submit the following:

- 1) Information Sheet,
- 2) Preference and Content Sheets,
- 3) Current Vitae/Resume,
- 4) Relevant Certification(s),
- 5) Letter of Application (addresses how an assistantship will assist you in attaining your professional goals), and
- 6) Description of Other Relevant Experiences/Skills.

You must have submitted a completed College of Graduate Studies graduate application prior to the February 1st deadline for graduate assistantship consideration.
