GUIDELINES

Statement of Purpose
The University of Idaho recognizes the importance of the arts on the Moscow campus, satellite campuses (Boise and Coeur d’Alene), and across the state of Idaho in partnership with our 42 Extension offices. Arts-Fee grants are provided to defray costs related to originating, producing, and presenting creative projects. Funds may also be used to defray cost associated with educational opportunities in the arts. Students, faculty members, and academic units are all eligible for arts grants. Preference will be given to first-time grant seekers.

Application Instructions
The application consists of a coversheet, project narrative, budget, facilities approval form (if applicable), community partner form (if applicable) and letter of commitment from guest artist(s) (if applicable). Please complete the cover page and sign and date it. Please attach answers to the project narrative questions as a Word document or PDF (2-page maximum). You must use the budget form included in this application, although you are welcome to add supplementary materials. Due to increased demand, proposals for short-term projects (lasting less than one semester) are not to exceed $3,000 and long-term projects (lasting longer than one semester) are not to exceed $6,000. To ensure consistency of evaluation, please use the format provided. Incomplete applications or applications that do not use the correct format will not be considered. For questions regarding the application, please email uiarts@uidaho.edu.

A photo or video taken with a cell phone is acceptable. The video should not include any voice over explaining the art or project. These photos/videos will be used for future advertisement of available grant funds.
