

**Application for 3D Printing using Stratasys J850 Pro at
The University of Idaho 3D Imaging and Printing Lab**

Requestor	Name	
	Email	
	Phone	
	Purpose of the Printing	
	Signature of faculty who authorizes the printing (if the requestor is a student)	
Geometry	General Description of the printing need	
	Dimensions in 3D (X, Y, Z)	
	Max Resolution needed	
	Materials need to use	
	Any post-processing (remove supporting structures, polishing, etc.)	
	Is STL file available? (if yes, where?)	
Funding*	Funding source	
	Index number	
*needed to cover the material and/or post-processing cost, cleaning material cost, and depreciation of the instrument		
The following section is to be completed by the Lab Administrator		
Director	Dr. Tao Xing's signature	
Approval Date		
3D Printing Start time (e.g. 3 pm on 6/20/22)		
3D Printing End time (e.g. 6 pm on 6/20/22)		
Cost		\$

I agree to pay the cost shown above for this printing job. I also agree to acknowledge the University of Idaho 3D Imaging and Printing Laboratory in any publications that use the printed object in this request.

Signature of the PI of the Index number Date
