

# SHARING YOUR ARTWORK

## CRITIQUING – REFLECTING – LEARNING

Sharing your artwork helps you build skills. Prepare to share your artwork so that others understand your piece. Think about your answer to the questions. Write out your answers. Use the Elements and Principles of Design Card ([shop4h.org](http://shop4h.org), SKU: BUL924) to help you with the art terms.

**YOUR NAME:**

**TITLE OF YOUR ARTWORK:**

**DATE OF ARTWORK:**

**MEDIUM:**

*(Drawing, Painting, Sculpting)*

**Step 1** - Look at your artwork for a few minutes. Describe what you see in your piece. Think about the materials you used. Describe any elements of art you focused on. (Elements – Line, Form, Color, Shape, Space)

**Step 2** - What do you think of your artwork? Describe your favorite part of your piece. If you tried this art technique several times (practicing), did you make any changes from the first time?

**Step 3** - Using what you wrote down in steps 1 and 2, write a few sentences that you can share when you introduce your piece to others. Write your sentences using words you feel comfortable saying aloud to someone else.
